501 (c)(3) nonprofit providing hope for incarcerated and newly-released women in East Tennessee.
PPS & FOCUS Group Ministries, Inc.
EIN: 62-1686129

FOCUS Ministries provides rehabilitative programming for incarcerated women and a safe place for them start over when they get out. Our programs empower women to break the cycles of addiction and incarceration so they and their children can walk in true freedom.

We implement faith-based and evidence-based methods to help women reintegrate into our community successfully.

Women make up the fastest-growing population in our criminal justice system, yet comprehensive programs for women are still very rare.

Without opportunities to change their lives, these women will continue to perpetuate the same generational traumas passed down to them.

FOCUS Ministries has been serving in East Tennessee since 1999. We are thrilled to celebrate 25 years of ministry and raise funds so we can continue this great work! Our annual spring fundraiser sustains the ministry throughout the year and is a great way to introduce our organization to new people. Thank you for making our community a better place! We cannot do this without YOU!
