\$25 MONTH

Your gift of \$25 a month can provide **New Release Baskets** for FOCUS re-entry participants. These baskets supply fresh linens, towels, toiletries, and needed hygiene items for men as they enter the **FOCUS New Beginnings Transition Program**.

\$50 MONTH

Your gift of \$50 a month can provide one inmate with the books and needed materials for a **semester of faith-based and life-skills courses**.

Such classes are taught by willing FOCUS volunteers inside jails and prisons all over East Tennessee.

Your gift of \$75 a month can help offset either transportation or lodging costs for the families of the men participating in the **Returning Hearts Celebration**. This event allows dads to spend the day with their children on the prison yard at Morgan County.

\$75 MONTH

Your gift of \$100 a month can cover the one **New Beginnings Transition Program** student's needs.

The average cost a month for student participation in the program is near \$100 a week. This gift is a huge blessing to the ongoing work of FOCUS Ministries.
