

**THE FIVE LEVELS**  
MENS NEW BEGINNINGS  
RE-ENTRY PROGRAM

**LEVEL 1**  
EYES ON JESUS

Students in Level 1 are encouraged to keep their **eyes on Jesus**, the author and finisher of their faith, as they take the first steps of their re-entry journey.

**LEVEL 2**  
SURRENDER

Students in Level 2 are challenged to address the sins that so easily entangle and defeat us by choosing to **surrender** total control of one's life to Christ.

**LEVEL 3**  
ENDURANCE

Students in Level 3 will embark on a three-month journey of trusting Jesus in work, family restoration, and one's spiritual walk. This level takes great **endurance**.

**LEVEL 4**  
SACRIFICE

Students in Level 4 will be taught to examine the ways they are embracing **the sacrificial life** of Christ whether it be in relationships or through day-to-day living.

**LEVEL 5**  
VICTORY

Students in Level 5 graduate from the residential to the independent living phase of the program. Here students **live victoriously** on their own or with awaiting family.
